EXPERIENCE

Peter Pan Goes Wrong (SCAD mainstage production) - Scenic Designer

JAN 2026 - MAY 2026

Collaborated with a team of 4 students to design the set for SCAD's production of Peter Pan Goes Wrong. Worked from concept design through schematic design using SketchUp, AutoCAD, and Photoshop. Provided a full drafting package and paint elevations package for fabrication. Created digital 3D models and utilized VR technology to pre-visualize the set at full scale and preemptively fix blocking and sightline issues. Coordinated with lighting and costume design teams to ensure all scenic elements worked with the show as a whole.

Savannah College of Art and Design - Resident Assistant

JUN 2025 - PRESENT

Created a safe and welcoming community for over 50 first-year residents. Collaborated with other RAs to foster ongoing community engagement between residents. Responded to emergencies and SCAD policy violations.

The Florida Aquarium - Guest Services and Operations Associate

JUL 2022 - PRESENT

Sold and scanned tickets and upcharge experiences. Helped manage guest flow and crowd control. Guided guests through the SeaTrek underwater diving experience. Assisted guests with specific questions and requests at the guest services desk.
